

COMMITTED TO LIVING: HPV IN THE HIV COMMUNITY

Please join infectious disease specialist Dr. Gregory Huhn and the TEAM staff for this very important topic. Human Papillomavirus affects men and women, especially those with HIV. Spaces reserved and a light meal will be provided.

Wednesday June 2, 7PM at TPAN
Please RSVP at 773-989-9400

This Committed to Living program is funded by ViiV Healthcare. Special thank you to Darci Outlaw, ASO Community Specialist.
