

TPAN presents
BARLESQUE

Sponsorship Opportunities

When you sponsor Barlesque, you support TPAN, one of Chicago's leading and most respected non-profit organizations serving the LGBTQIA+ and HIV communities. For 35 years, TPAN has been helping people living with HIV and at-risk populations. We provide at no cost to the people we service a wide range of programs and services, including a drop-in center for vulnerable LGBTQIA+ youth, mental health services, and HIV prevention services. Thousands of Chicagoans benefit from our services every year, and we draw clients from underserved neighborhoods of Chicago, with nearly 1 in 5 clients residing in communities on Chicago's South Side. Sponsors will receive recognition on promotional materials and in-person events. Printing sponsorships and media sponsorships are also available.
