

EAT. DRINK. GIVE.

Dining Out For Life is an international one-night event involving the generous participation of restaurants, volunteers, corporate sponsors, and dining patrons—all raising funds to support lifesaving HIV/AIDS services in their home cities.

Last year, more than 60 restaurants took part in **Dining Out For Life Chicago** that benefits **TPAN**, one of the city's longest-running non-profit healthcare and HIV services organization.

Join us on Thursday, April 25, 2019, for Dining Out For Life Chicago, and help TPAN deliver compassionate care and health services to Chicagoans living with and affected by HIV.

Started in 1990, Dining Out For Life is held in dozens of cities throughout the United States and Canada, but the funds you help raise here in Chicago stay in Chicago. Those proceeds help provide critical healthcare and services to thousands of Chicagoans living with and affected by HIV.

TPAN is proud to be the producer and beneficiary of Dining Out For Life Chicago. Founded more than 30 years ago, TPAN has grown from a grassroots agency to a nationally recognized non-profit organization, providing programs, education, and services to nearly 2,000 people per year and to more than 100,000 readers of our nationally distributed HIV treatment magazine, *Positively Aware*.
