KNOWLEDGE. COMMUNITY. POWER.

**TREATMENT.
EDUCATION.
ADHERENCE.
MANAGEMENT.**

Knowledge is power. And the knowledge that you are part of a connected community can give you strength. **TPAN's TEAM—Treatment, Education, Adherence, Management—program** empowers people living with HIV. And reflecting life today, **TEAM** has been adapted and updated to create an **online environment** that is safe, supportive, and **connected to you.**

Through TEAM, you will:

- **understand** the basic science of HIV infection
- **begin or continue** effective treatment and health care to manage HIV and prevent secondary infection
- **explore** personal issues surrounding HIV such as stigma and disclosure
- **learn** how to advocate for yourself and your community.

Registration required.

\$25 gift card upon completion of program.

Open to anyone age 18 and over who is living with HIV.
